Creative Industries is preparing for a team rebuilding stage. Executive Director, Jaymie Lathem, has announced that she will be bringing her talents to Sudbury's We Live Up Here urban arts organization, and will reduce her responsibilities with the Creative Industries. This change will take place in February 2023.

Originally Jaymie served as a volunteer member of the board of directors, then as the first Executive Director for Creative Industries, formerly known as Coordinating Body of Arts, Culture & Heritage (CBACH). The North Bay community has enjoyed watching and experiencing the continued growth and impact under Jaymie's leadership.

The board is very pleased with Jaymie's successes and incredible contributions, and we're very excited to take them to the next stages of the organization's growth and its impact in our community.
